

CHURCH DOG & THE BIG BAD BUG

What do you THINK?

THEME: FAITH OVER FEAR

What is the Villain of the story?

A germ, or bug, that makes people sick.

What mistake did K'noot & his dog friends make when they heard about the virus?

They thought it was an actual bug, like a spider, and tried to find it and fight it by themselves.

How do we use the weapon of Faith to conquer Fear?

By trusting that Jesus is fighting for us.

What was K'noot's mission?

To remind people that God is bigger than any monster, Bug or problem we face.

Who did K'noot learn is the greatest super hero?

Jesus, whose love for us is bigger than any fears or mistakes we make.

Why do you think people still get sick?

Jesus doesn't always take away the hard stuff, but He brings us through it, which often makes us stronger.

What does PASTOR WILLIAM Say?

Like K'noot, all of us face monsters sometimes. The Bible tells the story of a young boy named David, who faced a scary giant called Goliath. But because David had strong faith in God, together they killed the giant.

When God is by your side, you can be fearless because He is your Protector. He has the superpower to defeat anything that we could never do on our own. Like all loving fathers, God watches over and provides for his children.

Activities

Germs are “tiny monsters” that live inside your body.

- Craft your own germ model using play dough and Q-tips. This will show you what germs look like underneath a microscope.
- Make a ball from the playdough and attach Q-tips on the sides.
- Get creative. Attach googly eyes, and pipe cleaners to make your look germ scary.
- Once its complete, place it near the sink. This will help remind your child to wash up when they see the germ lurking about.
